This Supplement (the "**Supplement**") to the prospectus dated 9 October 2024 (the "**Prospectus**") constitutes a supplement to the Prospectus for the purposes of Article 23 of the UK Prospectus Regulation and is prepared in connection with the €10,000,000,000 Global Secured Medium Term Note Programme (the "**Programme**") established by Anglian Water Services Financing Plc (the "**Issuer**"). When used in this Supplement, "**UK Prospectus Regulation**" means Regulation (EU) 2017/1129 as it forms part of domestic law.

This Supplement is supplemental to, and should be read in conjunction with, the Prospectus and any other supplements to the Prospectus issued by the Issuer. The purpose of this Supplement is to disclose that on 6 November 2024, S&P announced its decision to change the designation of the Class A Unwrapped Debt of the Issuer from A- (Negative) to A- (CreditWatch with negative implications) with a view that S&P would likely lower the rating on the Class A Unwrapped Debt of the Issuer by one or two notches depending on Ofwat's Final Determination in connection with PR24 and any potential mitigating measure. It is noted that there is also a risk that Fitch and/or Moody's may take similar rating action in connection with the Class A Unwrapped Debt of the Issuer.

In accordance with Article 23(2) of the UK Prospectus Regulation, investors who have already agreed to purchase or subscribe for Bonds prior to the publication of this Supplement have the right to withdraw their acceptance. Investors wishing to exercise any such right should do so by giving notice in writing to the person from whom they agreed to purchase or subscribe for such Bonds. This right is exercisable up to, and including 13 November 2024, which is the final date for the exercise of such right to withdraw.

Unless otherwise defined in this Supplement, terms defined in the Prospectus have the same meaning when used in this Supplement. Unless stated otherwise, page numbers referred to in this Supplement refer to pages in the Prospectus.

The Issuer and each of Anglian Water Services Limited ("**AWS**"), Anglian Water Services Holdings Limited and Anglian Water Services UK Parent Co Limited (together with the Issuer, being the "**Obligors**") accepts responsibility for the information contained in this Supplement. To the best of the knowledge of each of the Issuer and the other Obligors, the information contained in this Supplement is in accordance with the facts and this Supplement makes no omission likely to affect its import.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Prospectus, the statements in (a) above will prevail.

Save as disclosed in this Supplement, there has been no other significant new factor, material mistake or material inaccuracy relating to information included in the Prospectus since the publication of the Prospectus.

If documents which are incorporated by reference into this Supplement themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the UK Prospectus Regulation except where such information or other documents are specifically incorporated by reference or where this Supplement is specifically defined as including such information.

This Supplement has been approved by the FCA, which is the United Kingdom competent authority for the purposes of Article 23 of the UK Prospectus Regulation in the United Kingdom, as a base prospectus supplement issued in compliance with the UK Prospectus Regulation. The FCA only approves this Supplement as meeting the standards of completeness, comprehensibility and consistency imposed by the UK Prospectus Regulation, and such approval should not be considered as an endorsement of the Issuer.
